

Angel Healing Practitioner

The Angel Healing Practitioner certification course encourages you to get in touch with and understand your intuition, read energy, learn how to work with the angels for healing and to conduct angel readings confidently. You will also discover the ways in which the angelic realm communicates with you and learn to receive messages, information and Divine guidance and healing from the angels.

In this certification program, you will learn how to:

- ♥ give accurate and healing angel readings
- ♥ use angel oracle cards as a divination tool
- ♥ communicate with your angels and the spirit world
- ♥ discover your natural Divine communication style
- ♥ combine clairvoyance, clairsentience and claircognizance with your card readings
- ♥ practice automatic writing, psychometry, channeling with the angels for receiving messages and information
- ♥ prepare yourself and your cards for conducting an angel reading
- ♥ understand the morals and ethics of conducting a reading
- ♥ advertise yourself and build your practice
- ♥ and much more
